- ✓ Offering a high absorption capacity and speed, microfibre cloths provide an effortless cleaning solutions
- ✓ The mechanical cleaning action of microfibres easily allows the tiny fibres to trap and hold dust and dirt particles without transferring them to other surfaces
- ✓ The dirt particles stay locked inside the microfibre cloth until washed in hot water, which loosens the fibre's grip and releases the contents
- ✓ Our microfibre cloths are label free so they won't leave scratches on surfaces
- ✓ Machine washable and reusable
