Suggested industries; Janitorial, HoReCa and Healthcare to the industries

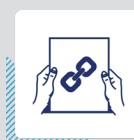

- ✓ Kills bacteria & viruses quickly - The wipe removed up to 99.9% of microbes on any surface, including COVID, Flu, HIV and E. coli
- ✓ Easy to use - The unique out-of-the-box design makes our wipes easy to use anywhere, so everyone can maintain cleanliness.
- ✓ Alcohol & Quat Free - With surfaces being cleaned regularly, it's vital that wipes do not damage or degrade surfaces through continual use.
- ✓ This solution ensures everything is protected.
- ✓ Tested in real-world environments - Rigorously tested in both clean and dirty environments so you are guaranteed a wipe that actually does what it says it will do!
- ✓ Meets EN Standards - Certified to European Standards, giving you confidence in a sanitising wipe that actually works.
- ✓ Sourced in the EU, made in the UK - Product is sourced from Europe, ensuring there is no delay in procurement or shipment. Each wipe bucket is then cut and packed here in the UK
