

CHICOPEE[®]
VERACLEAN[®]

Soft Plus

Supple yet strong apertured wiper

Chicopee[®] True Confidence[™]

Soft Plus combines maximum dirt absorption with ultimate softness for effective cleaning. The unique open structure provides excellent pick up of fine industrial dirt, such as toner and dust. A highly absorbent solution for a range of fluids, such as water, oil or ink, Soft Plus is ideal for use in all areas of light industry.

Soft Plus

Soft

Low Lint

Silicone Free

Efficient solution for delicate cleaning

Problems

- Low cost wipes and rags with an inferior quality have the risk of causing scratches on surfaces
- Low cost rags and paper wipes often lint or tear causing fibres to be spread
- Industrial areas often have tough to clean surfaces that contain water, oil or ink, which can cause high consumption of poor quality wipes, adding unnecessary costs to your process

Solutions

- Veraclean Soft Plus is extremely soft making it perfect for cleaning critical environments, ensuring that no sensitive surfaces are scratched
- The Soft Plus wipes are very low lint, ensuring minimal fibre shedding and reducing risk of complaints or issues further on in your manufacturing process
- The unique open structure provides excellent pick up of fine industrial dirt, such as toner and dust. A highly absorbent solution for a range of fluids, such as water, oil or ink, Soft Plus is ideal for use in all areas of light industry.

All Veraclean Soft Plus variants are silicone free eliminating surface craters and removing fish eyes
