

HARRISONS

Wet Wipes

For over 130 years, Harrisons has set the standard in wiping.

Developed with research-driven in-house formulations at a modern manufacturing facility, our wet wipes demonstrate the expertise behind every Harrisons product. Every wipe is manufactured in the UK, rigorously tested for quality and independently audited to EN standards in a UKAS-accredited laboratory. That's why we're confident every product meets the highest standards of quality that customers expect of Harrisons.

Working closely with distributors, our wet wipes help organisations across HoReCa, food production, facilities management, manufacturing and construction achieve cleaner, safer, more efficient operations.

Please use all wipes in accordance with the product label.

Surface Disinfectant Wipes

Surface Disinfectant Wipes maintain hygiene standards by disinfecting hard surfaces easily. Food-safe, fragrance-free and highly effective against bacteria and viruses, these versatile wipes are ideal for daily cleaning.

CODE	COLOUR	FORMAT	DIMENSIONS	EN STANDARDS	CASE
SDPP20 B45 BQFAF	●	Bucket	20 x 20 cm	EN 1276, EN 14476, EN 13727, EN 1650, EN 13697	1 x 500 sheets
