Sontara® | HARRISONS
Set the standard with every wipe

AEROSPACE

SAW 01 W

Aerospace Grade Wipes

- Specially engineered for the strict demands of the aerospace industry.
- Designed to resist snagging.
- Meet tough industry specifications.
- Great for surface preparation before coating, sealant or adhesive application, equipment maintenance, wiping surfaces clean or dry.

ADVANTAGES

- AMS-3819 Certified
- Pure
- Low Lint
- Easy close, moisture-locking lid
- Large 12" x 17" Wipe
- Safe for use with MEK

Sontara® Aerospace products are designed to ensure all cleaning requirements are met for aviation manufacturing and maintenance.

The Sontara® full range of Aerospace Grade Wipes meet the tough specifications required for this industry. Our Sontara® Window Wipes clean exceptionally fast, leaving no rag marks or scratches on windshields and surfaces, preventing costly re-working. Sontara® Aerospace Grade Wipes contain no binder and show extremely low lint.

PRODUCTION METHOD
