## Directions for Use

01 For first-time use, remove the lid and any seals. Pull a cloth from the centre and feed it through the lid, then close the lid securely. For flow packs, pull back the tab to open, then reseal after use. For refill bag tear and pull through the hole and then place in dispenser

02 Take a wipe and thoroughly clean your hands, covering all areas including between fingers and around nails. Allow hands to dry naturally.

03 Where applicable, prior to handling or preparing food, rinse hands thoroughly with water.

04 Dispose of the used wipe in the appropriate waste bin following local regulations, and close the packaging between uses.

05 Once empty, discard of product packaging in accordance with the label and local regulations.

## Technical Information
